Triumphs of Modern Surgery.

Wonderful things are done for the
human body by surgery. Organs are
taken out and scraped and polished
and put back, or they may be removed
entirely; bones are spliced; pipes
take the place of diseased sections
of veins; antiseptic dressings are ap-
plied to wounds, bruises, burns and
like injuries before inflammation sets
in, which causes them to heal without
maturation and in one-third the time
required by the old treatment. Cham-
berlain's Pain Balm acts on this
same principle. It is an antiseptic
and when applied to such injuries,
causes them to heal very quickly. It
also allays the pain and soreness.
Keep a bottle of Pain Balm in your
home and it will save you time and
money, not to mention the inconven-
ience and suffering which such inju-
ries entail. For sale by all druggists

CITY COUNCIL.

Met in Special Session Last Night.—
Little Business of Importance.

The City Council met last night in
special session. Mayor Hinkle was in
the chair, and all the members were
present except Devine.

Mayor Hinkle returned without his
approval the Dog Ordinance, as some
of its provisions were in conflict with
the statutes. The Council ordered a
new ordinance drawn by the Mayor
and Attorney.

The license on automobiles run-
ning for hire was placed at \$16 per
year.

It was ordered that the Marshal
collect all the instruments, music
stands, appurtenances, etc., that be-
long to the city, which are now in
the hands of private parties. When
these are collected at some future
meeting the Council will appoint a
Bandmaster and deliver these instru-
ments into his care.

The report of the retiring treasurer,
E. H. Williams, was received and
filed.

It was ordered that all parties who
have stands on the streets be moved.
The request of several parties was
also refused who asked privileges of
the above kind.

A committee composed of Brooks,
Parsons, Church, Devine and Burns
was appointed to bring in an ordi-
nance defining the fire limits. The
council refused to make any excep-
tion for the erection of frame build-
ings in the territory now within the
ordinance.

W. C. Burrus appeared before the
Council and asked for permission to
put down free of cost to the city a
crossing made of manufactured stone.
This is done that the Council may
test this kind of crossing, and if sat-
isfactory the company that Mr. Bur-
rus represents will submit figures for
the building of these crossings. The
Council accepted the proposition and
ordered that the test crossing be put
across Main street between the Cit-
izens' Bank and the Western Grocery
store. The crossing is to be put in
one inch above the street grade.

The Mayor reported that as a re-
sult of his observation on his recent
trip that Roswell was right in line
with other cities on the sidewalk build-
ing. That his observation was that
even a larger space was allowed to
trees in the sidewalks than we are
allowing.

As usual complaints were received
as to ditch nuisance. Sooner or later
the Council must order these ditches
filled.

The matter of the advisability of
buying a carload of tiling was de-
ferred for further investigation until
next meeting.

The Finance committee reported
adversely on extending the sewerage
system to Alameda Heights.

The Mayor recommended to the
Council that there be levied a road
tax, and also that the gambling ta-
bles pay a tax. No action was taken
on these recommendations.

During the absence of Dr. W. W.
Phillips, city physician, Dr. F. C.
Blackwelder will attend to the city
cases.

The Council adjourned until the
next regular meeting.

THAT TIRED FEELING.

If you are languid, depressed and
incapable for work, it indicates that
your liver is out of order. Herbine
will assist nature to throw off head-
aches, rheumatism and ailments akin
to nervousness and restore the en-
ergies and vitality of sound and per-
fect health. J. J. Hubbard, Temple,
Texas, writes, March 22, 1902: "I
have used Herbine for the past two
years. It has done me more good
than all the doctors. When I feel bad
and have that tired feeling, I take
a dose of Herbine. It is the best
medicine ever made for chills and
fever." 50 cts. a bottle. Sold by Pe-
cos Valley Drug Co.
